

Bishops Lydeard Parish Council - Roads and Traffic Project - Site 14

clerk@bishopslydeardparishcouncil.gov.uk | SEP 29, 2025 10:51 | 1 minute(s) read

Hi,

Bishops Lydeard and Cothelstone Parish Council have been working with Somerset Council to introduce some traffic calming measures in the village. A number of sites have been identified as potential areas for traffic calming within the village. The priority now is Site 14 - Village Gateway and Crossing Point on Cothelstone Road. I have attached the high level design produced by Somerset Council.

We now require the detailed design and construction for this site and I have been asked by the parish council to see if any contractors can help with this. Can you please let me know if this is something that your company can do and if so what other information will you need in order to provide a cost for this?

Kind Regards

David Richards
