Dear All

A meeting has been set up to go through the recent instructions on Phase 1 (Site 14) and Phase 2 (Sites 3, 4 and 9) to ensure all have the same understanding of the scope, outputs, and outcomes on both.

As always, if you can attend the meeting, please make sure you approve the invite to join the call on a day. If you can't attend the meeting though, I will record and distribute the meeting footage/transcript for the future reference.

Many thanks and best regards

Joanna
