Attached is a Developed Brief for detail design of Site 14 at Cothelstone Road in Bishops Lydeard. All information regarding the activities included within the detail design cost estimate are embedded within the 'Scope' and 'Estimated Project Costs' sections of the enclosed document. Let me know if you have any queries concerning that.

When the estimate is approved, please return the signed copy of the last page by 16th February 2026, if possible. Please note that if the brief is not agreed by then, the design programme is subject to change, hence please let me know at the earliest opportunity if that date can't be met.

I look forward to receiving your approval at the earliest opportunity.

Many thanks and best regards

Joanna
