

Parish Council Report – September 2026

During the Parish Council monthly meetings, the council makes decisions which are voted on by the councillors following a review and debate of the issue. This month the Parish Council reviewed the quotations for cleaning the library and public conveniences and resolved to stay with the existing contractor. The council also reviewed the scope of work for the lengthsman before going out to tender. The clerk will seek feedback and quotations from contractors before any decision is made. The council also reviewed a draft procedure called 'Procedure for Vexatious Correspondence And Complaints', however, the council requested changes and this will be revised by the clerk following these comments before a final decision is made at a future meeting.

Planning applications are also reviewed every month. These can be seen in the meeting minutes which are on the Parish Council website. Planning applications can also be reviewed in detail on the Somerset Council website.

Councillors Hunt and Warmington provided updates from the Sandhill Park Working Group. They will provide estimates for the initial work required to clear some obstructions to a path and an overhanging tree at the next Parish Council meeting for approval.

The next Parish Council meeting will be held on Wednesday 14th October 2026 at 7pm in the village hall (new small hall).

David Richards, Clerk: clerk@bishopslydeardparishcouncil.gov.uk or 07774 541060
