Nature and Climate Action in Somerset

How you and your community can help

Tuesday 24 November - online at 7pm

An **online** event to support Somerset residents and local councils to plan and act for nature and climate using the Local Nature Recovery Strategy (LNRS).

Discover how the LNRS can help:

- Suggest actions to support local habitats & species
- Find opportunities for funding to support your community
- Shape local decisions about planning, development and green spaces

Somerset Wildlife Trust

Somerset Council
